Attention: Mr. Ray Sukys

Dear Ms. Kratovil and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Joaquin Council of Governments' (SJCOG) 2010/11 – 2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
17	Local and State Elements

- This amendment modifies existing projects with funding from the Regional Surface Transportation Program, Transportation, Community, and System Preservation Program, and local transportation funds.

See enclosures.

The SJCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, does not change air quality conformity, and meets the requirements of public involvement procedures adopted by SJCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SJCOG Amendment Number 17. I also recommend that the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment in fiscal years not within the four-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute eligibility determination of projects for federal funding.

Mr. Vincent Mammano / Mr. Leslie T. Rogers
