Attn: Abhijit Bagde, FTIP Coordinator

Please accept **Amendment No. 11-09** to the 2011 Federal Transportation Improvement Program (FTIP) for the San Luis Obispo County Region. Per SLOCOG's 2011 FTIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Director is authorized to approve minor amendments as described on page 15 and further described in Appendix A-4. This amendment consists of changes to two individual projects.

The administrative modification is removing \$568,512 of RSTP funds from one project and programming them on another. The first project will be backfilled with RSTP-RSHA funds while the second project will replace STIP-RIP-TE funds that will be reprogrammed during the current STIP programming effort.

Included with this correspondence is the a) Summary of Changes; and b) Project Listings. Our next formal FTIP amendment will update the financial summary to reflect the actual funding to support the added programming capacity.

This amendment will be available on the California Transportation Improvement Program System (CTIPS) and SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org>, or if you would like a full copy of the 2011 TIP and amendments, please visit SLOCOG's website at www.slocog.org. If you have any questions regarding this amendment, please feel free to contact Geiska B. Velasquez, SLOCOG's FTIP coordinator, at (805)788-2104 or email inquiries to gbaker@slocog.org.

Sincerely,

Ronald L. DeCarli, Executive Director
