Dear Ms. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Luis Obispo Council of Governments (SLOCOG) 2010/11-2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
19	<b>State Element</b>

The amendment programs a State Highway Operation and Protection Program project to upgrade bridge rails on four bridges. The amendment programs \$2,217,000 in fiscal year 2013/14.

See enclosure.

The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment No. 19. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent Mammano/Mr. Leslie T. Rogers
