Dear Ms. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Stanislaus Council of Governments (StanCOG) 2010/11-2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
23	<b>State and Local Elements</b>

The amendment adds and modifies projects in StanCOG region. The amendment includes projects funded from the State Highway Operation and Protection Program, State Transportation Improvement Program, and the Congestion Mitigation and Air Quality Improvement Program.

See enclosure.

The StanCOG Board Resolution adopting this FTIP amendment certifies that projects included satisfy the transportation conformity provisions, and meet the requirements of public involvement.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve StanCOG's Amendment No. 23. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.
