***Subject: Amendment #10 (Types 2 and 3 Formal) to the 2013 Fresno Council of Governments FTIP***

Ms. Green:

The Executive Director of the Fresno Council of Governments as authorized by the Policy Board hereby approves Amendment #10 (Types 2 and 3 Formal) to the 2013 FTIP.

This amendment includes projects whose cost changes are greater than 40% of the total project cost or more than \$10 million, changes to the group listing and updates to the financial summary tables. FTIP Amendment #10 is consistent with the 2011 Regional Transportation Plan. The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 7-day public review and interagency consultation period that was completed on August 20, 2013 at 4:30 pm. No comments were received. The public participation process for Amendment #10 is consistent with the Fresno COG board adopted public participation plan.

Included with this letter are two hard copies of Amendment #10 to the 2013 FTIP. An electronic copy of the four year financial plan will be sent via email. This amendment is available online at the Fresno COG website at [www.fresnocog.org](http://www.fresnocog.org). If you should have any questions or comments, please feel free to call Lindsey Monge at (559) 233-4148, ext. 205.

Sincerely,

**RE: Availability of Draft Amendment No. 10 to the 2013 FTIP for Interagency Consultation and Public Review**

The Fresno Council of Governments (FCOG) is proposing a Formal Amendment (Types 2 and 3) to the 2013 Federal Transportation Improvement Program (FTIP). The 2013 FTIP is the programming document that identifies four years (FY 12/13, FY 13/14, FY14/15, and FY15/16) of federal, state and local funding sources for projects in Fresno County. The proposed amendment will be circulated for a 7-day public comment period. Fresno COG's adopted amendment procedures do not require a public hearing for Amendment Types #2 and #3. Additionally, Types #2 and #3 amendments can be approved by the Fresno COG Executive Director as authorized by the Fresno COG Policy Board.

The FTIP as amended meets all of the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes projects whose cost changes are greater than 40% of the total project cost or more than \$10 million, changes to the grouped project listing and updates to the financial summary tables. FTIP Amendment No. 10 is consistent with the 2011 Regional Transportation Plan (RTP). The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

#### Public Input

This amendment will be available for a 7 day public review and comment period beginning August 13, 2013 and concluding on August 20, 2013. Comments will be accepted on the FTIP amendment until 4:30 pm on August 20, 2013.

The following documentation is included in the Amendment No. 10 to the FTIP document and may also be found online at [www.fresnocog.org](http://www.fresnocog.org):

Attachment 1: Summary of Changes

Attachment 2: Revised Financial Constraint
