SUBJECT: Administrative Modification No. 5 to the 2013 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed please find the documentation in support of Administrative Modification No. 5 to the Kings County Association of Governments (KCAG) 2013 Federal Transportation Improvement Program (FTIP). The KCAG Executive Director has the authority to approve all administrative modifications at the regional level and through Resolution 11-09 and per the letter dated March 1, 2012 for the state level (FSTIP).

This administrative modification changes the fund source for one project in CMAQ funds to the current financial plan for KCAG that relies on the State's federal programming capacity. KCAG will update the financial plan to reflect this change in our next formal amendment.

FTIP Modification No. 5 amends the following project in the 2013 FTIP:

1. The Grangeville at 9 ¼ Avenue Signal Project (CTIPS # 216-0000-0115); The Local funds (\$58,000) in the CON phase of this project will be replaced by CMAQ funds in the form of Toll Credit Matching. There are no changes in scope, schedule, or total cost.

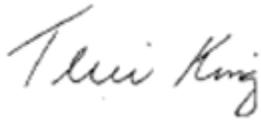

This change conforms to the description of an "Administrative Modification" (e.g. Item "v. Change source of funds") as outlined in the US DOT Document ID: 62,530; "Revised Federal – Statewide Transportation Improvement Program (FSTIP) and Federal Transportation Improvement Program (FTIP) Amendment and Administrative Modification Procedures" (June 3, 2011).

KCAG certifies that this administrative modification consists of one Air Quality exempt project, is consistent with the 2011 Regional Transportation Plan, that it does not impact the current Air Quality Conformity determination, does not interfere in the timely implementation of any TCM's, and has no projects in common with any other amendment open for public comment or currently being processed.

The required documentation is enclosed.
