**SUBJECT: Administrative Modification #31 to the 2013 Federal
Transportation Improvement Program**

Dear Mr. Aljabiry:

Please be advised that the San Joaquin Council of Governments (SJCOC) made changes to the 2013 Federal Transportation Improvement Program (FTIP). The SJCOC Executive Director has the authority to approve all administrative modifications. The proposed modifications are consistent with the 2011 Regional Transportation Plan (as amended) and Public Participation Plan (as amended) adopted by the SJCOC Board of Directors.

SJCOC FTIP Administrative Modification #31 would adjust notation in CTIPS for the following project in the 2013 FTIP:

- CTIPS ID 212-0000-0001: Grouped Projects for Pavement Resurfacing: No dollar value changes in the RSTP programming for FY 13/14; toll credits in the amount of \$2,739,443 are identified.

The following required documentation is enclosed:

Attachment 1: Summary of Changes

Attachment 2: Lump sum listing

Attachment 3: CTIPS Reports

With the modifications identified in this document the SJCOC 2013 FTIP remains financially constrained. SJCOC certifies that this modification contains an exempt project and does not require a conformity re-determination. SJCOC also certifies that this modification does not impact the timely implementation of any TCMs and that no project included in this modification is included in any other amendment or modification to the FTIP currently out for public review or approval.

Sincerely,

ANDREW T. CHESLEY
