Dear Ms. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Stanislaus Council of Governments (StanCOG) 2012/13-2015/16 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
7	State and Local Elements

The amendment modifies and deletes projects from the StanCOG region. The amendment includes projects funded from the State Highway Operation and Protection Program, State Minor Program, and the Congestion Mitigation and Air Quality Improvement Program.

See enclosure.

The StanCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement adopted by StanCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve StanCOG's Amendment No. 7. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2013 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent Mammano/Mr. Leslie T. Rogers
