Mr. Bruce de Terra
Chief, Division of Transportation Programming
California Department of Transportation
1120 N Street
Sacramento, CA 95814

Attn: Muhaned Aljabiry

SUBJECT: FCOG FY 2015 - 2018 FTIP Amendment # 11

Dear Mr. de Terra:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment # 11 to the Fresno Council of Governments (FCOG) FY 2015 - 2018 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated June 1, 2016. FCOG adopted Amendment # 11 on May 26, 2016. This amendment to FCOG's FTIP:

- Adds and/or modifies projects in the FCOG region; funding sources include the Congestion Mitigation and Air Quality Improvement Program, Regional Surface Transportation Program, State Highway Operation and Protection Program, Section 130 Program, Active Transportation Program, State Bond, various FTA grant programs and local funds.

Pursuant to the December 15, 2014, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2015 – 2018 Federal Statewide Transportation Improvement Program (FSTIP) for the FCOG region in accordance with the Final Rule on Statewide and Non-Metropolitan and Metropolitan Transportation Planning published in the May 27, 2016 Federal Register. We find that the FCOG's FTIP, through Amendment # 11, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 134, and 49 U.S.C. Chapter 53 as amended by the Fixing America's Surface Transportation (FAST) Act.

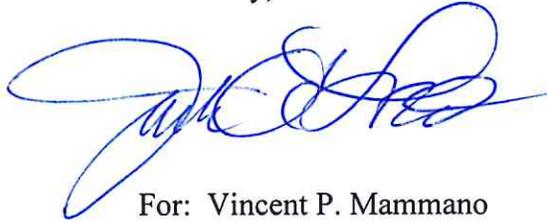

We have determined that this program modification is exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part 93. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of*

Understanding between DOT and EPA on Transportation Conformity, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

This approval is provided with the understanding that this programming action does not provide a federal eligibility determination for CMAQ projects or any other project funding source included in this amendment.

If you have questions or need additional information concerning our approval for this FCOG FSTIP amendment, please contact Scott Carson (scott.carson@dot.gov) of the FHWA California Division office at (916) 498-5029 or Eric Eidlin (eric.eidlin@dot.gov) of FTA Region IX at (415) 734-9458.

Sincerely,

/s/ Leslie T. Rogers
