SUBJECT: Administrative Modification No. 9 (Type 1 Amendment) to the KCAG 2015 Federal Transportation Improvement Program (FTIP)

Dear Mr. Aljabiry:

Enclosed please find the documentation in support of Administrative Modification No. 9 to the Kings County Association of Governments (KCAG) 2015 Federal Transportation Improvement Program (FTIP). The KCAG Executive Director has the authority to approve all administrative modifications at the regional level and through Resolution No. 11-09 and per the letter dated March 1, 2012 for the state level (FSTIP). The approved changes will not impact KCAG's financial constraint.

KCAG FTIP Administrative Modification No. 9 amends the following project in the 2015 FTIP:

- **Grouped Projects for Highway Maintenance – (CTIPS ID: 216-0000-0192):** Increases in the total program amount to FFY 14/15 and 15/16 per Caltrans request. See grouped project listings in Attachment 1 for detailed project descriptions.

This change conforms to the description of an "Administrative Modification" (e.g. Item "1.ii. Revised funding amount") as outlined in the US DOT Document ID: 62,530; "Revised Federal – Statewide Transportation Improvement Program (FSTIP) and Federal Transportation Improvement Program (FTIP) Amendment and Administrative Modification Procedures" (June 3, 2011).

KCAG certifies that this administrative modification consists of one Air Quality exempt project, is consistent with the 2014 Regional Transportation Plans, that it does not impact the current regional Air Quality Conformity determination, does not interfere in the timely implementation of any TCM's, and has no projects in common with any other amendment open for public comment or currently being processed.

The required documentation is enclosed.
