SUBJECT: Amendment No. 3 to the KCAG 2015 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed for your review and approval, in conjunction with the KCAG Commission approved 2015 Federal Transportation Improvement Program (FTIP), is Amendment No. 3 (Formal, Type 3) to the 2015 FTIP. Amendment No. 3 to the 2015 FTIP adds, removes, and adjusts the cost, scope, and schedule of federally funded or regionally significant projects within the four-year element of the 2015 FTIP as indicated in Attachment 1.

This Amendment is consistent with the metropolitan transportation planning regulations per 23 CFR Part 450 and 40 CFR Part 93. The changes made by Amendment No. 3 are consistent with the description of a Type 3 Formal Amendment in the 2008 Revised Federal – Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures, the 2011 addendum to those procedures, and the 2014 Kings County Regional Transportation Plan (RTP).

The proposed project changes have been determined to be exempt from the requirement that any additional regional conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. This amendment does not affect the regional emissions analysis for the FTIP and conforms to the applicable State Implementation Plan (SIP). Amendment No. 3 does not affect the timely implementation of any Transportation Control Measures (TCM) and no projects in this amendment are in common with any other amendment currently out for public review or approval. Amendment No. 3 accounts for any changes made by any Administrative Modifications approved since the last formal amendment that would impact the financial constraint of the 2015 FTIP.

The public participation process for Amendment No. 3 to the 2015 FTIP is consistent with KCAG's adopted Public Participation Plan (PPP). On April 30, 2015, KCAG began a 14-day public review and interagency consultation period which concluded on May 14, 2015. We received no comments during the public comment period.

On May 14, 2015, through delegated authority, the KCAG Executive Director approved Amendment No. 3. State and Federal approval is required for Amendment No 3.

Included with this letter are two hard copies of Amendment No. 3 to the 2015 FTIP. An electronic copy of the amendment and a four year financial plan in Excel format will be sent via email. The 2015 FTIP and all related amendments are available online on KCAG's website at <http://www.kingscog.org/programming.html>.

If you have any questions regarding this modification, please contact me at (559) 852-2678, or Terri.King@co.kings.ca.us.
