SUBJECT: MCAG FY 2015–2018 FTIP Amendment #12

Dear Mr. de Terra:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment #12 to the Merced County Association of Governments (MCAG) FY 2015–2018 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated March 15, 2016. MCAG adopted Amendment #12 on February 18, 2016. This amendment to MCAG's FTIP:

- Addresses two Programming updates to City of Livingston's Congestion Mitigation Air Quality (CMAQ) projects

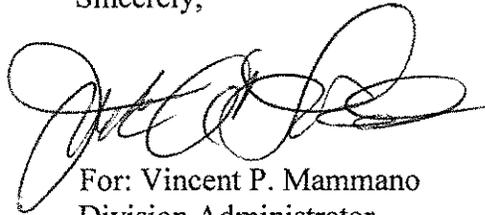

Pursuant to the December 15, 2014, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2015 – 2018 Federal Statewide Transportation Improvement Program (FTIP) for the MCAG region in accordance with the Final Rule on Statewide and Metropolitan Transportation Planning published in the February 17, 2007 Federal Register. We find that the MCAG's FTIP, through Amendment # 12, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 174, and 49 U.S.C. Chapter 53 as amended by Public Law 114-94, the "*Fixing America's Surface Transportation Act*" (FAST Act).

We have determined that this program modification is exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part

93. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of Understanding between DOT and EPA on Transportation Conformity*, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

If you have questions or need additional information concerning our approval for this MCAG FTIP amendment, please contact Cecilia Crenshaw-Godfrey of the FHWA California Division office at (916) 498-5033 or by email at (Cecilia.Crenshaw-Godfrey@dot.gov).

Sincerely,
