SUBJECT: MCTC FY 2015 - 2018 FTIP Amendment # 9

Dear Mr. de Terra:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment # 9 to the Madera County Transportation Commission's (MCTC) FY 2015 - 2018 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated November 24, 2015. MCTC adopted Amendment # 9 on November 19, 2015. This amendment to MCTC's FTIP:

- o Modifies projects in the Madera MPO region. Funding sources include the Congestion Mitigation and Air Quality Improvement Program.

Pursuant to the December 15, 2014, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2015 – 2018 Federal Statewide Transportation Improvement Program (FSTIP) for the MCTC region in accordance with the Final Rule on Statewide and Metropolitan Transportation Planning published in the February 14, 2007 Federal Register. We find that the MCTC's FTIP, through Amendment # 9, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 174, and 49 U.S.C. Chapter 53 as amended by the Fixing America's Surface Transportation (FAST) Act.

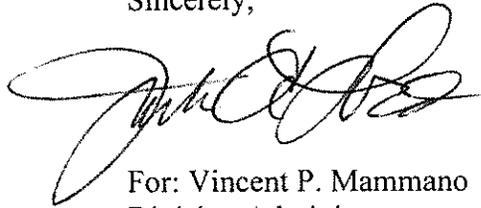

We have determined that this program modification is exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part 93. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of*

Understanding between DOT and EPA on Transportation Conformity, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

This approval is provided with the understanding that this does not provide a federal eligibility determination for CMAQ projects or any other project funding source included in this amendment.

If you have questions or need additional information concerning our approval for this MCTC FSTIP amendment, please contact Scott Carson (scott.carson@dot.gov) of the FHWA California Division office at (916) 498-5029.

Sincerely,
