Dear Mr. Jack Lord. and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Madera County Transportation Commission (MCTC) 2014/15 – 2017/18 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
11	State and Local Element

- This amendment modifies projects in Madera County funded from the Congestion Mitigation and Air Quality Improvement Program, Highway Safety Improvement Program, and Active Transportation Program.

See enclosures.

The MCTC Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, does not change air quality conformity, and meets the requirements of public involvement procedures adopted by MCTC.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve MCTC's Amendment Number 11. I also recommend that the Federal Highway Administration (FHWA) and the FTA approve this FTIP amendment for inclusion into California's 2015 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vince Mammano/Mr. Leslie T. Rogers
