Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Shasta Regional Transportation Agency's (SRTA) 2014/15 - 2017/18 Federal Transportation Improvement Program (FTIP):

No. Description

3 **State, Local and Transit Elements**

- This amendment modifies and programs projects in the SRTA region. It includes projects with funding from the State Highway Operation and Protection Program, Highway Bridge Program, Highway Safety Improvement Program, and various Federal Transit Administration (FTA) programs.

See enclosure.

The updated programming is for projects in air quality attainment area that is exempt from the conformity determination requirement. SRTA has certified that this FTIP amendment is financially constrained, and meets the requirements of public involvement procedures per SRTA's Public Participation Plan.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SRTA's Amendment No. 3. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2015 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers
