Subject: SJCOG FY 2015–2018 FTIP Amendment #19

Dear Mr. de Terra:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment #19 to the San Joaquin Council of Governments (SJCOG) FY 2015–2018 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated June 7, 2016. SJCOG adopted Amendment #19 on March 24, 2016. This amendment to SJCOG FTIP approves:

- Grouped Projects for Activities that Do Not Relate to Construction
- Preventative Maintenance:
- Positive Train Control

Pursuant to the December 15, 2014, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2015 – 2018 Federal Statewide Transportation Improvement Program (FSTIP) for the SJCOG region in accordance with the Final Rule on Statewide and Metropolitan Transportation Planning published in the February 17, 2007 Federal Register, with the following exceptions:

- CTIPS ID 212-0000-0692: SJRRC Planning:

We find that the SJCOG's FTIP, through Amendment # 19, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 134, and 49 U.S.C. Chapter 53 as amended by Public Law 114-94, the "*Fixing America's Surface Transportation Act*" (FAST Act).

We have determined that this program modification is exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part 93. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of Understanding between DOT and EPA on Transportation Conformity*, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

This approval is provided with the understanding that the FTA funding approval on the individual projects contained in the FTIP are subject to grantees meeting all necessary FTA administrative requirements, and that approval of this programming action does not provide a federal eligibility determination for CMAQ projects or any other project funding source included in this amendment.

If you have questions or need additional information concerning our approval for this SJCOG FTIP amendment, please contact Cecilia Crenshaw-Godfrey of the FHWA California Division office at (916) 498-5033 or by email at (Cecilia.Crenshaw-Godfrey@dot.gov), or Jerome Wiggins of the FTA Region IX office at (415) 744-2819 or by email at (jerome.wiggins@dot.gov).

Sincerely,

/s/ **Leslie T. Rogers**
