Attn: Dennis Jacobs, FTIP Coordinator

Please accept **Administrative Modification No. 15-14** to the 2015 Federal Transportation Improvement Program (FTIP) for the San Luis Obispo County Region. The San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments to the FTIP.

This administrative modification makes the following changes:

Individual Project

North Paso Robles Rehab (SHOPP) - In San Luis Obispo County, in and near San Miguel, from San Marcos Creek Bridge to the Monterey County line, also in Monterey County (PM 0 - 1.9); pavement rehabilitation.

A detailed project change report is included in **Attachment A**.

Financial constraint

This administrative modification increases programming capacity in the amount of \$8,047k that relies on the State's federal programming capacity. Our next amendment will update the financial information to reflect actual funding to support the added programming capacity.

The increase is consistent with program guidelines, expansion to residential area outreach for transportation coordination opportunities. The above increase of \$8,047 is within the adjustment threshold maintaining fiscal constraint.

2014 Regional Transportation Plan and Sustainable Communities Strategy

Administrative Modification 15-14 is consistent with the SLOCOG 2014 Regional Transportation Plan and Sustainable Communities Strategy (RTP-SCS), adopted by the SLOCOG Board on April 1, 2015. The RTP-SCS can be accessed at <http://www.slocogconnectingcommunities.com/>.

Additional information

This administrative modification is available on the California Transportation Improvement Program System (CTIPS) and SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org>, or if you would like a full copy of the 2015 FTIP and amendments, please visit SLOCOG's website at www.slocog.org.
