SUBJECT: TCAG FY 2014/15 - 2017/18 FTIP Amendment # 2

Dear Mr. De Terra:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment # 2 to the Tulare County Association of Governments (TCAG) FY 2014/15 - 2017/18 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated January 23, 2015. TCAG adopted Amendment # 2 on January 15, 2015. This amendment to TCAG's FTIP:

- o Adds and/or modifies projects in the TCAG region; funding sources include the Active Transportation Program, Highway Bridge Program, Surface Transportation Program and local funds.

Pursuant to the December 15, 2014, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2014/15 – 2017/18 Federal Statewide Transportation Improvement Program (FSTIP) for the TCAG region in accordance with the Final Rule on Statewide and Metropolitan Transportation Planning published in the February 14, 2007 Federal Register. We find that the TCAG's FTIP, through Amendment # 2, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 174, and 49 U.S.C. Chapter 53 as amended by Sections 1201, 1202, 20005 and 20006 of Public Law 112-141, the Moving Ahead for Progress in the 21st Century Act (MAP-21).

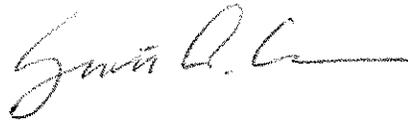

We have determined that this program modification is exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part

93. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of Understanding between DOT and EPA on Transportation Conformity*, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

This approval is provided with the understanding that the FTA funding approval on the individual projects contained in the FSTIP are subject to grantees meeting all necessary FTA administrative requirements, and that approval of this programming action does not provide a Federal eligibility determination for CMAQ projects or any other project funding source included in this amendment.

If you have questions or need additional information concerning our approval for this TCAG FSTIP amendment, please contact Scott Carson (scott.carson@dot.gov) of the FHWA California Division office at (916) 498-5029.

Sincerely,
