Local Agency Proposition 1B Recipient

Dear Agency Representatives and Proposition 1B Recipients:

This is the follow-up to the April 26, 2011 letter in regard to Proposition 1B funding. I am requesting information on projects listed in the linked spreadsheet for your agency that have received 2006 Proposition 1B Transportation Bond Act funding. This information is needed so that the California Department of Transportation (Department) can continue to demonstrate the need for the sale of additional transportation bonds and better estimate cash flow.

Please respond by June 24, 2011, indicating cash needs for each bond project by logging into <http://www.dot.ca.gov/hq/transprog/ibond.htm> and follow the detailed instructions. Responses must be submitted in electronic format.

Please take the following actions as applicable.

1. Review listing of projects for completeness of projects that have received allocations and projects that are programmed with planned future allocations.
2. Fill in all information on allocation and invoicing.
3. Complete dates for construction start and end or durations.
4. Return electronic copy by June 24, 2011, to Graciela Vasquez at Graciela_Vasquez@dot.ca.gov.

Thank you in advance for your attention to this as it will help to secure upcoming bond sales for the Proposition 1B projects. If you have any questions, please contact me at (916) 654-4013 or Doris Alkebulan at (916) 651-6894.

Sincerely,
