Projects

Monday #348 11-26-2007 --

- Attended the weekly safety meeting, hosted by Maged Armanuse on the safety issues with regards to Confined Spaces.
- The safety meeting was followed by the weekly staff meeting. Per Ben, Jeff Finn will provide a CCO log starting this Thursday. I requested Sybil to bring copies of the 3-week look ahead schedule to the meeting, starting next week.
- Review and approval of 17 staff member.
- Met with Rich Foley to discuss the work breakdown between the 2 of us. I suggested to take the office issues and for him to handle the field issues.
- Met with Richard Chang & Chris Young to go over the outstanding RFI's/Submittals.
- Met with Richard Duncan to go over the CCO's. Need to get the precast pile extension Cco to the D.O., along with drafting the CCO for the column pin pipe.
- Review of 25 potential hire applicant's job application.
- Met with Ben to discuss job issues.
- Review of PMIV submittals.
- Discussed the location of the upcoming Winter Training with staff.

Tuesday #349 11-27-2007 --

- Emailed Greg Allen, informing him that I'll be away this Wed. & Th. And Richard Chang will act on my behalf.
- Met with Mahmoud requesting a drawing indicating what portion of the cofferdam and trestle has been constructed to date.
- Informed staff, Maged Armanuse, Chris Young, Mulu Belay, Ron Goldgruber, Jody McCoy, Mahmoud Khandaghabadi, Reza Shirazi & Ibrahim Qawasmi of their Winter Training 2008 dates and location for attendance.
- Worked on staffing needs, PYE's and PY's on board and projection for the future needs for Amer.
