<p>-Received a call from Adrienne saying that the send test of samples for Hansen came out OK and they are back in the operating range. I told her to call the plant and let them know. She said that she would. Also called Greg Allen to let him know what is going on and left a message for John William as well. Mahbub called me at 7:00 a.m. to confirm that they can accept the AC or not and I said yes.</p> <p>-Reviewed and approved daily diaries, time sheets.</p> <p>-Reviewed progress pay #25 calcs, EWBs.</p> <p>-Received an email from Heather Rowe of PIO that On Tuesday , July 28th, we are hosting a tour of OTD and the Skyway for the new Executive Director of the CTC, Bimla Rhinehart. She said that we expect to arrive at OTD at 11:45 a.m. CTC is requesting a tour of OTD1. After the tour of OTD1, we will access the Skyway and use the van to drive out to the electrical substation. From the substation we will walk the interior of the girder to the hinge pipe. She asked who has the keys to the substation doors? I responded that I would find out.</p>
