<p>Office work</p> <ul style="list-style-type: none"> ·Jonathan Yeo will be at SWPPP training on 8/11/09. ·Received an email from Richard Duncan stating the following : MCM is planning to use CETCO Shore PAC slurry for CIDH on the BATA project. They have proposed using left over treated slurry water for dust control on the OTD. The treated material is non-toxic and should not be an issue. See attached information from the manufacturer. Let me know if this is okay. I responded that it is OK but recommended that he run it by Jill Pollock of Engineering Support. ·Received an email from Ridder Alvarez that Friday is his last day at the TB CCO desk . He welcome Muhammad Chishty as the new toll bridge reviewer, he will report to the TB CCO desk on August 4th, Tuesday. ·Received a Green Rating for SWPPP Inspection conducted by Chris Knoche on 7/23/09. 	<input type="checkbox"/>
