Office work/field

Met with Ahmed Moin to discuss bike path grading.

Met with Behzad to discuss mole substation issues from yesterday meeting with the contractors.

Met with Clive and Behzad in my office to clarify MCM subs questions from yesterday. Clive answered seven out of the nine items and promised to give us response for the other two on Monday morning.

Amer and I toured the job.

Called Jeannie Blaeramos regarding lane closure for Friday night and Saturday night. Bhalinder did not answer my call from yesterday noon time, and MCM want to know if they are getting 2 or three lanes to install the wind dampers.
