Working Day If no, explain:

<p>Diary:</p> <p>Office work</p> <ul style="list-style-type: none"> ·Contractor's controlling operation this week: To DP: Work Complete To CW: Finish Mole Substation. ·Attended/Conducted the 2-hour Safety Stand down. Ernie shared with the staff that we now have to manhole puller in our possession. Those who need it can check it out. The topic for the Safety Stand down was: Fire Resistance Closing and Safety is everybody's responsibility. Charge EA: OH EA 912076, Special Designation 6SAFETY, Activity Code 049. ·Met with Amer to go over EBMUD claim one more time and put all the information in one binder . ·Reviewed and signed CCO 132, 144 and 148 to go to MCM. ·Signed and approved CCO 93 unilaterally and sent to DO for processing. ·Sent an email to Lynne Welch and asked that the retention for the project be released . ·Sent an email to Andy Alvarado and attached a copy of the DRB Issue Report NOPC #10. ·Reviewed and approved time sheets and daily diaries . ·Met with Gregorio Soria and Chuck Hazelwood of Ct maintenance to go for a final job walkthrough . Jonathan Yeo and Maged Armanuse were also present. We walked the job and reviewed the field condition. They asked for 100 spare Quick Kurb chanalizers and adhesives so they can replace when needed. They also asked for a couple of access manhole ladders. We concluded the site with these notes. I agreed to send them a copy of the plans and specs and also a copy of the as-built plans after they are finalized. 	<p>Dispute</p> <p><input type="checkbox"/></p>
