Dispute

**Office work/field**

Met with Sherif regarding the fire marshall test today.

Attended meeting with Amer, Jeff, and Ben to discuss EWB, and WOA.

Met with Maged regarding service platform slip critical connections.

Fire Marshall did not approve the mole sub station, because we do not have two phone lines and monitoring system. I spoke with saeed and his response was when the whole corrodor is complete we will install the mointoring system.
