1. Field – continue to grade out area for falsework between Piers E20 and E19AR.
2. Al Sanchez has a solution for the service platform embed requiring a reduction in the bar lengths. Will have a model ready by the end of the day.
3. Precast Wall Panels – FWI proposing to use O/S clips for splicing the panel reinforcement to the welded reinforcing steel mats. Will need to check on sampling requirements.
4. Left early for a doctor's appointment.
