| Received By | (For resident engineer) DATE |

| | | | |
|--|------------------------------|--------------------------|------------------------------------|
| TO Pedro Sanchez (resident engineer) | CONTRACT NUMBER 04-0120E4 | DATE January 14, 2008 | IDENTIFICATION NUMBER 07-011408 |
|--|------------------------------|--------------------------|------------------------------------|

This is an Initial Notice of Potential Claim for additional compensation submitted as required under the provisions of Section 9-1.04, "Notice of Potential Claim," of the Standard Specifications. The act of the engineer, or his/her failure to act, or the event, thing, occurrence, or other cause giving rise to the potential claim occurred on:

DATE: January 14, 2008

The particular nature and circumstances of this potential claim are described as follows:

Kiewit/FCI/Manson AJV (KFM) has performed work in accordance with issued but un-approved Contract Change Orders No. 58 and No. 58, Supplement 1. These change orders were executed by KFM on December 14, 2007 and returned to the Department by transmittal that day. These change orders have not been approved by the Engineer as of January 14, 2008.

KFM requests compensation for this work in accordance with the Contract Change Orders as executed by KFM.

Imminent completion of all contract work by KFM and Contract Acceptance by the Department without approval of these signed change orders gives rise to this NOPC at this time.

(attach additional sheets as needed)

The undersigned originator (Contractor or Subcontractor as appropriate) certifies that the above statements and attached documents are made in full cognizance of the California False Claims Act, Government Code sections 12650-12655. The undersigned further understands and agrees that this potential claim to be further considered, unless resolved, must fully conform to the requirements in Section 9-1.04 of the Standard Specifications and must be restated as a claim in the Contractors written statement of claims in conformance with Section 9-1.07B of the Standard Specifications.

This is an Initial Notice of Potential Claim for additional compensation submitted as required under the provisions of Section 9-1.04, "Notice of Potential Claim," of the Standard Specifications. The act of the engineer, or his/her failure to act, or the event, thing, occurrence, or other cause giving rise to the potential claim occurred on:

DATE: January 14, 2008

The particular nature and circumstances of this potential claim are described as follows:

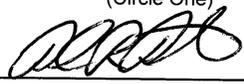

Kiewit/FCI/Manson AJV (KFM) has performed work in accordance with issued but un-approved Contract Change Order No. 67. This change order was executed by KFM on December 14, 2007 and returned to the Department by transmittal that day. Contract Change Order No. 67 has not been approved by the Engineer as of January 14, 2008.

KFM requests compensation for this work in accordance with the Contract Change Order as executed by KFM.

Imminent completion of all contract work by KFM and Contract Acceptance by the Department without approval of this signed change order gives rise to this NOPC at this time.

The act of the engineer, or his/her failure to act, or the event, thing, occurrence, or other cause giving rise to the potential claim occurred on:

DATE: January 14, 2008

The particular nature and circumstances of this potential claim are described as follows:

Kiewit/FCI/Manson AJV (KFM) has performed work in accordance with issued but un-approved Contract Change Order No. 70. This change order was executed by KFM on December 14, 2007 and returned to the Department by transmittal that day. Contract Change Order No. 70 has not been approved by the Engineer as of January 14, 2008.

KFM requests compensation for this work in accordance with the Contract Change Order as executed by KFM.

Imminent completion of all contract work by KFM and Contract Acceptance by the Department without approval of this signed change order gives rise to this NOPC at this time.

|--|------------------------------|--------------------------|------------------------------------|

This is an Initial Notice of Potential Claim for additional compensation submitted as required under the provisions of Section 9-1.04, "Notice of Potential Claim," of the Standard Specifications. The act of the engineer, or his/her failure to act, or the event, thing, occurrence, or other cause giving rise to the potential claim occurred on:

DATE: January 14, 2008

The particular nature and circumstances of this potential claim are described as follows:

Kiewit/FCI/Manson AJV (KFM) has performed extra work at the Department's direction to grind weld terminations at pile head connection plates to allow for additional inspection by the Department. KFM has provided information to the Department to enable a Contract Change Order for this work to be issued. No change order for this work has been issued as of January 14, 2008.

KFM requests compensation for this work in accordance with the proposals made by KFM.

Imminent completion of all contract work by KFM and Contract Acceptance by the Department without an approved contract change order for this work gives rise to this NOPC at this time.
