Dear Michael Flowers,

**Conflict between Free Cable and Box Girder**

This letter is issued in response to ABF-CAL-LTR-000331, Conflict between Free Cable and Box Girder, dated October 11, 2007. The Department agrees that working together to obtain a solution is the most desirable way forward. With that goal in mind, further details for Solutions #1 and #8 will be provided this week in both Team Cable Meeting No. 37 and in a focus group. Sketches, which will be presented, are attached.

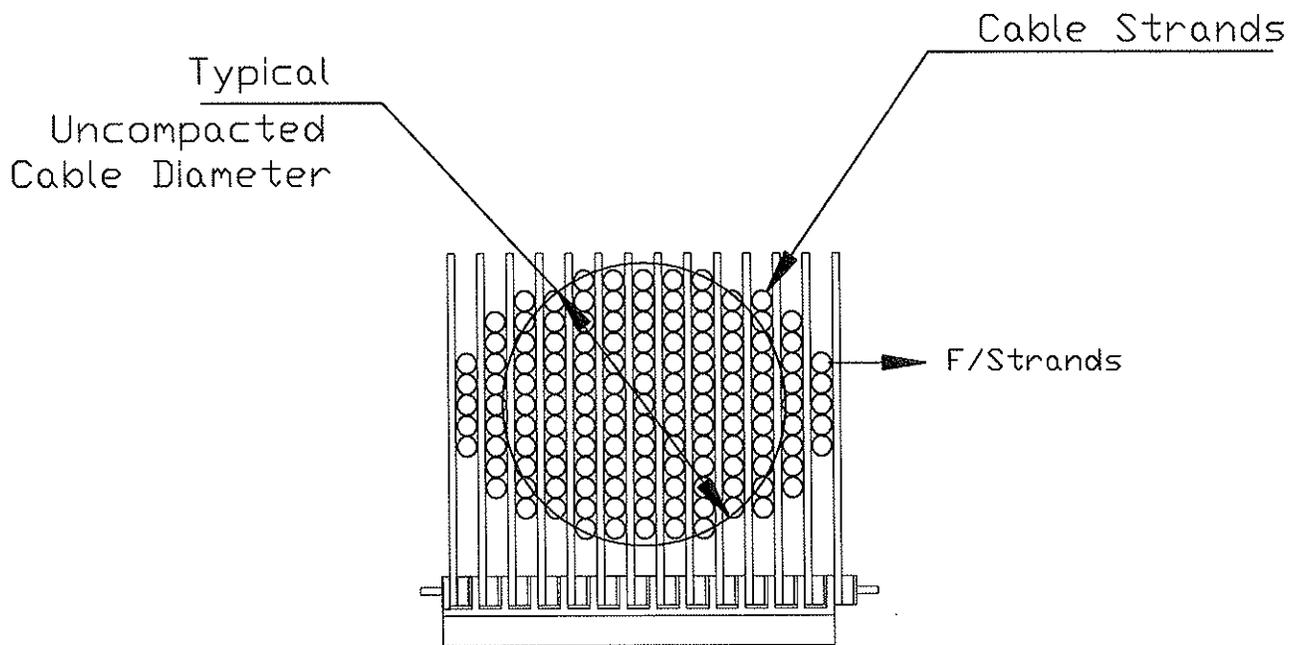

Sincerely,

A handwritten signature in blue ink that reads "Gary Pursell".
