Michael Flowers  
Project Executive  
American Bridge/Fluor, A JV  
375 Burma Road  
Oakland, CA 94607

Dear Michael Flowers,

**NOPC 11 - QA Samples of Externally Threaded Fasteners**

This letter is issued in response to ABF-CAL-LTR-000858, dated March 18, 2009. The Department met with ABF to discuss the issues presented in the referenced letter on April 24, 2009. As noted during the meeting, ABF has yet to provide the information requested in bullet points 1 and 2 issued in State Letter 05-03.01-003102, as well as the requested information from suppliers.

As discussed, the Department is providing an update, shown in red, of the QA Samples of Externally Threaded Fasteners spreadsheet which was originally submitted with ABF-CAL-LTR-000858.

It is requested that ABF and the Department meet to evaluate any potential merits to this NOPC. If you have any questions regarding the edited redline quantities listed in the enclosed spreadsheet, please contact Warren Collins at 510-715-2973.

Sincerely,

A handwritten signature in blue ink that reads "Gary Purcell".

GARY PURSELL  
Resident Engineer
