Dear Michael Flowers,

Notice of Potential Claim 13 - RFCO 63 - Critical Weld Repair

The Department is in receipt of ABF-CAL-TRN-002923R00, "Copy of ABFJV Letter No. 02.14-000022 to DRB - RFCO No. 63 and NOPC No. 13," dated December 23, 2009, addressed to Mr. Robert Smith, the Chairman of the Project's Dispute Review Board, which advises the DRB that ABF and the Department have agreed to remove NOPC 13 from DRB consideration.

In addition to being removed from DRB consideration, the Department understands ABF has withdrawn NOPC 13 from consideration within the contract's administrative potential claim process and that NOPC 13 will not be pursued further by ABF.

If the above is inaccurate, please notify the Department within 15 days of receipt of this correspondence. Otherwise, the Department will consider NOPC 13 to be closed.

Sincerely,

A handwritten signature in blue ink that reads "Gary Pursell".
