This will confirm that a DRB hearing is scheduled for 10:00 am on Monday  
March 14, 2005 to hear NOPC No. 1.

The agenda, which I will send out prior to the hearing , will also include  
a  
brief project update.

Unless the parties agree otherwise , the hearing shall take place at the  
contractor's jobsite office on Yerba Buena Island.

William B. Baker  
DRB Chair
