Subject: DRB - NOPC No. 3 - Board Recommendations

Dear Mr. Baker,

The Department is in receipt of the Dispute Review Board's recommendation dated June 26, 2005, regarding Notice of Potential Claim No. 3 "East Tie-In Design Criteria". The Department intends to negotiate a fair settlement with C.C. Myers, Inc. and compensate them for the additional costs and time attributed to the Caltrans review process of the alternative design of the East Tie-In structure proposed by C.C. Myers.

This Office would like to thank the Disputes Review Board for their time and effort in reviewing this NOPC and in generating their response in a timely manner.

Sincerely,
