Re: Notice of Potential Claim No. 7

Dear Mr. David,

In response to your letter 05.03.01-000387 regarding the above noted matter, we agree that our Potential Claim No. 7 will be resolved if the matters surrounding Building 206 are treated in accordance with Section 10-1.38 of the Special Provisions.

Please be reminded that should the building need to be relocated in the future as required by Section 10-1.38, the State will need to find a location to relocate it to as neither of the locations shown on the plans will accommodate the relocated building. We have brought this matter to your attention in previous correspondence as well.

Very Truly Yours,  
C. C. Myers, Inc.
