Subject Urgent CCO 92 Pricing coming, JSW quote

Balan,

Please find attached quotation from JSW for modifications to the East Saddle Anchor Rods in response to ATP in Department Letter No. 05.03.01-007261.

ABF will be sending our pricing package formally this afternoon. In addition, we'll email you a scan of the document for the sake of expedience.

Please note that ABF will need response by April 8 (April 9 Japan time).  
Also please note that JSW's pricing is extremely fair to Caltrans because JSW feels it's received fair treatment.

Regards,
