Joined Tony's staff meeting and participated in a discussion on staff logistics in Shanghai. Also in attendance were Jim Merrill and Phil Stolarski. In addition to the office on ZPMC'S island, it was agreed we would pursue a secondary, satellite office off-island in Shanghai (Pudong?). Jim Merrill, who was to travel to China today, was going to investigate alternatives on his trip.

Met with Tony Anziano and Ken Terpstra regarding final approval of several Task Orders.

SWPPP development kick-off meeting held with ABF this afternoon, led by Bill Shedd. I was unable to attend.

Wednesday, August 23, 2006

Met with Derek Pool, Toll Program Small Business Coordinator, regarding small business participation on the SAS contract. Discussed opportunities, ABF's approach to SB participation, and means of providing information, both to and from the Contractor. At my request, Brian Petersen with ABF joined us and provided ABF's perspective and challenges. Derek will serve a resource to develop utilization reports and provide references for small business opportunities.
