Date: Week of September 11,
2006

Monday, September 11, 2006

Attended meeting at MTC to brief Steve Heminger on the status of the SAS and the ABF team in preparation for Wednesday's meet & greet dinner.

Periodic (quarterly?) risk management meeting held in pm to update current status of the perceived risk to the project's costs & schedule. Rob Kobal chaired the meeting.

Tuesday, September 12, 2006

At the semi-weekly RFI meeting, Thomas Nilsson indicated ABF would like CT to consider allowing a temporary access opening at the edge of the OBG near the bike path and barrier rail. ABF will submit their proposal via a RFI.

Rick and I attended meeting where Ron Crockett briefed Roy Berg of CalOSHA on ABF's plans to fabricate barge mounted cranes and tentative erection procedures. Rom was looking for CalOSHA's input to avoid "surprises" later.

Discussed with Lou Wehar having ABF take over the lease on the Skyway's Mission Control office as an extension of the SAS Working Drawing Campus.
