DAILY REPORT

Monday, September 18, 2006

Held SAS CE staff meeting followed by an all staff meeting.

Tuesday, September 19, 2006

Weekly electrical/mechanical RFI meeting. PB reps, Bob Melvin and Elery Lucas were not present although invited.

Wednesday, September 20, 2006

Pete's staff meeting at 7am held at Peets Coffee. While leaving the parking lot a car backed out of another slot striking the front right corner of my State vehicle. No apparent damage to either vehicle due to impact between two soft bumpers.

Thursday, September 21, 2006

Provided Mike Flowers with copies of four proposed CCOs, Nos 2, 8, 12 and 13.

Received submittal from ABF proposing to roll Hinge K rather than forging. The proposal also includes utilizing "explosive welding" techniques to bond stainless steel to base carbon steel.

General Steel Meeting held this afternoon with teleconference some participants from Shanghai, Jim Merrill and Phil Stolarski.

Friday, September 22, 2006

Introductory meeting with the State's proposed DRB member, Norm Anderson.
