Keith and Jim talked to Jim Bower this morning and noticed that Jim Bower was working on WQCP. It is agreed that ABF and Caltrans will talk about WQCP on 5/24/2007.

Wind was strong in the afternoon, regular ferry service at three o'clock was cancelled. Jim called ZPMC to arrange for a tug boat to get us out. Typhoon season is coming so I expect we will get trapped on the island in the future.
