Monday: 3/5/07

- Prepared and filed my last week ARE Report.
- Received e-mail from Alex Schmitt about CCO 24 (Traveler Rail) and meeting notes. Printed to file.
- Organized e-mail storage and sent needed documents to archive, following Mail warning from admin.
- Received revised specification under CCO 6 (Temp. Tower Design Criteria) back from Steve Margaris with last page wet seal. Processed CCO and sent it to ABFJV for execution (Through PMIV).

Tuesday: 3/6/07

- Updated CCO's log to include payments per latest Estimate #10.
- Met with Darryl Schram and Scott Fabel; went over Plan Sheet Library and updates in PMIV. A meeting is scheduled for tomorrow with PMIV personnel to go over Plan Sheets Library updates.
- Followed up on the SAS Conference room tables. Called supplier (Keller group) and confirmed price quote and delivery between 2-4 weeks. We need a purchase order to be initiated by ABFJV.

Wednesday: 3/7/07

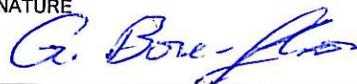

- Worked on organizing the files for all approved Change orders. Went over content, provided missing documents following a "Change Order Project File Checklist" created by Scott Fabel.
- PMIV personnel did not show-up for the scheduled meeting today to go over Plan Sheets Library updates.
- Ken Young of District Office stopped by today along with Alice Ghirardelli. We covered with Ken what we are doing, Change order procedure and listened to his directions to adhere to the task order and our contract. Darryl Schram gave Ken and Alice a good review to our performance on the job.

Thursday: 3/8/07

- Attended the biweekly Safety Meeting at 8:00 am.
- Continued work on organizing the files for all approved Change orders.
- Confirmed with Sean Eagen the transport of the W2 steel ladders using CC Meyers equipment to the Maintenance yard yesterday and today.
- Covered with Darryl Schram the conference room tables issue and the need for a purchase order initiated by ABFJV. Darryl called into Brian Petersen and informed him about it. I conveyed to Brian Petersen (ABFJV) the information needed to place the order (a valid quote).

Friday: 3/9/07

- Continued work on organizing the files for all approved Change orders.
- Established new binders for new CCO's 36 and 37.
- Reviewed with Scott Fabel, Brian Boal and Alex Schmitt the issue of the plan sheets revision and the fact that TYLin are re-issuing changes to plan sheets with the same revision number. ABFJV are rejecting it and requesting another revision number (reference ABF-CAL-TRN-000066).
