Report # 9

Week of Jan 28, 2007

SFOBB - SAS

---

Monday

- Worked on miscellaneous job related issues. Attended CT survey meeting.

Tuesday

- Studied plans and specifications. Worked on miscellaneous job related issues. Attended Falsework meeting with Mark Mac Donald and Francis O'Malley. Informed Mark about progress of falsework review and that some additional calculations will be necessary because of changed pour sequence.

Wednesday

- Worked on miscellaneous job related issues. Attended Concrete team Meeting. Visually inspected from the man lift NE column of pier W2 W I the area where ABFJV noticed a significant crack . (ABF-CAL- LTR-000097). I could not see any cracks in this area. I have informed verbally ABF superintendent Steve Marko. The inspection time was not more than 15 minutes on the manlift.

Thursday

- Studied plans and specifications. Worked on miscellaneous job related issues.

Friday

- Studied plans and specifications. Worked on miscellaneous job related issues. Attended Sexual Harassment Prevention Training in Sacramento.
