Studied the falsework drawing and the Special Provisions for 2 hours. For the bulk of the day, however, I continued with the data entry on the Concrete Pour Record for thr E2/T1 project.

Gil provided me with a copy of ABF-SUB-380R1 pertaining to the E2 Crossbeam ISD. He told me to study the submittal and the ISD drawings and direct my questions to Ron Matin.

Inspector: *Saman Soheili*
