Office Work:

❖ **MEP Shop Drawing Work.**

- Worked on the Master penetration list.
 - Made corrections to the list and sent an updated copy to Scott Kennedy in China this evening.
- Updated the Priority submittal list.
 - Updated and printed out a copy for Max. for the meeting Monday.
- Review and response to China tracking Charts.
 - Broke down Scott Kennedy's Tracking list into Lifts to determine most priority sections to review and comments. The indicated priority is Eastbound lifts (1-7), Tower Lifts (1-2) and Westbound lifts (1-7).
 - Responded to all the yellow comments that Scott had made on the eastbound lifts (1-7).
 - Sent a copy of my reviewed and commented tracking chart to Scott Kennedy with an attachment package. The attachment package was too large so will reduce to send later (Monday).

Any questions or comments you can reach me at (916) 919-7158. My E-Mail address is Mike.Travis@LANEngineering.com or Michael_Travis@dot.ca.gov

Scott,

I am going over your comments and responding to your comments as fast as I possible can.
I started to break down the charts by critical steps such as:

Eastbound OBG Lift 1-7

Tower Lift 1-2

Westbound OBG Lift 1-7

ETC.

I'm sending you in this first package the updated Master Penetration charts as of March 07, 2008.
The next Email will have your Tracking Charts with my comments to date.
The third Email will have a group of attachments that will help in explaining my responses on your tracking list.

I will not be in the office Monday but will return Tuesday Morning March 11 @ 5:30 AM.
