DAILY REPORT

Report No. 45. GP-101

Date: Week of May 5, 2008

---

**Monday, May 5, 2008**

Annual Leave

**Tuesday, May 6, 2008**

Received call from Lt. Eric Ramos, USCG, who was looking for a contact to express the USCG's concern over the location of several mooring balls recently placed by the Contractor. I contacted and relayed the information to Jerry Kent, ABF's General Supt. Jerry immediately contacted Lt. Ramos, and informed me the issue was being resolved.

**Wednesday, May 7, 2008**

Very light attendance at the large core group meeting today due to several regular attendees attending a Legislative Briefing in Sacramento. General discussion about the progress of the work.

**Thursday, May 8, 2008**

SAS CE staff meeting.

Discussed the possibility of participating in the cost impacts of the shutdown of pile driving operations with Tony Anziano & Mike Forner. Both were open to participating in costs, depending on the magnitude of the cost impacts, which are unknown at this time.

Met with Flowers and Nilsson to discuss how to proceed with unacceptable u-rib panels identified in a State letter issued yesterday.

**Friday, May 9, 2008**

Nothing to report today.
