- Wednesday, June 4, 2008

Worked on miscellaneous job related issues. Attended Concrete Team Meeting.
Spoke to Ben Neal with ABF at E2 bent cap location. I told him that CT engineer Masood Madanlou is going to come to the Job site tomorrow as his job requires and asked him if he has any problems with him working on the same project site , because of previous incident. He said that he has no problems with that. I told him also that I expect both of them to be professional and respectful to each other. Ben agreed again.
