Garcia and Associates								
REMARKS								

- Started at 6:30AM at office to attend the weekly staff meeting at 8:00 AM. There were a letter from the ABF contractor complaining about caltrans inspectors and listed several specific complains which we did not agree with. Gil ask the leads to draft a respond letter.
- After the meeting went back to field to continue monitoring the work progress.
- Dutra is off loading the las pile of the crush rocks from the barge . Truck were also hauling the rip rap concrete materials to Dutra tard in Richmond. Total of 5 trucks left from the field today.
- David Brad and I did surveying on Pile cap 1 to check the location of the CMP casing. The pile location were of 1 ft to .5 ft
- Finished 4:30 PM for the day....
