**Description of Operation:**

I was on vacation today. Thanh Le and Gina Rizzardo will have diaries for the day.

The tugboat Becky T, Captain Frank Wouters, and Deck Hand Matt Morton spent 2 hours touring the job site on the water covering T1, E2, and the moorings out in the bay. They circle the areas looking for nesting birds, or evidence of a nest as called for in the Special Provisions and compensated by CCO 13 of this contract. Either Gina or Thanh observed this and signed for it.

OVERTIME: No overtime today.
