DAILY REPORT

Date: Week of October 20,
2008

Monday, October 20, 2008

Dentist appointment first thing then travel to Pier 7 arriving at noon.

Team China Teleconference at 4:30 pm.

Tuesday, October 21, 2008

Met with Stefan Galvez and Laura Ivey to prepare for afternoon tour with Resource Agency representatives. Tour started after lunch with presentation in PIO followed by a tour on the water in a crew boat. The group then got off on YBI to tour the SS Detour project, and I returned to Pier 7 via the boat.

Wednesday, October 22, 2008

Attended Confined Space Training in am. Core team cancelled today due to several schedule conflicts, including my own with Confined Space Training.

Tony Anziano met with all seniors and managers on the SAS project to discuss communication and operations between Team China and Pier 7 regarding fabrication efforts.

Thursday, October 23, 2008

Bi-weekly CE meeting at 8am.

Attended partnering event for SS Detour project on YBI.

Participated in Team China teleconference at 4pm (see minutes).

Friday, October 24, 2008

Attended the 2nd mid day meeting/workshop at ABF's conference room to work out the details of upcoming concrete pours, with the first upcoming November 7th.

Gary Pursell
