Description of Operation:

Attended the Safety Meeting at 8:00 am this morning.

After the meeting I continued to review the plans for Tower F driving frame. Shortly after this I went out to observe the quadrennial inspection of the DB-5 crane. I spoke with Rich Heibert at 9:45 am and he said they were going over what was to be inspected and how. He then said they would begin shortly. The inspection went on throughout the morning and passed. Alex Coloma will receive the certification.

Reviewed plans throughout the afternoon.

OVERTIME: No overtime today.
