DAILY REPORT

Report No. 45. GP-129

Date: Week of November 17,
2008

Monday, November 17, 2008

Attended weekly Champions meeting. Inquired about the global project limits and environmental clearance for CCO 80. Alex (PM) to look into and set meeting.

Team China Teleconference held at 3:30 pm (see minutes). Rick, April, Marwan and I at Pier 7. Pete called in from Santa Rosa.

Tuesday, November 18, 2008

Attended monthly BATA Briefing and provided an overview of the status of the SAS contract.

Attended inter-agency meeting with resource agencies. Discussed status of pile driving for temporary towers F & G. In general, the agencies in attendance were receptive to completing the pile driving when considering the minimal amount of time involved with driving.

Wednesday, November 19, 2008

At small group core team meeting (Siegenthaler, Morrow, Nader & I) the following topics were discussed:

- Upcoming concrete pour scheduled for Dec 5th, and coordination with MCM contract.
- Shipping Plan – First shipment of temporary tower works leaves ZPMC this week.
- Visa Letters.
- Port of Oakland's concerns over the use of Pier 7.
- Holiday week plans next week.

Thursday, November 20, 2008

Bi-weekly senior staff meeting (see April's notes).

Ken Terpstra hosted meeting with ABF (Jim Davidson) and MCM (?) to coordinate activities for concrete pour on the 5th.

Made arrangements with Brian Petersen to have forklift offload METS welder certification check samples.

Team China teleconference at 3pm (see minutes).

Friday, November 21, 2008

Attended Seismic Safety Pier Review Panel briefly for discussion on tack weld repair procedures.

Attended ABF's Safety BBQ event commemorating 600,000 hours without a lost time accident.

Tony Anziano met with SAS senior staff (2nd) to discuss coordinating activities between Pier 7 and Team China.

Reviewed work in progress at YBI in afternoon, along with Tom Bey & Bradly.
