DAILY REPORT

Report No. 45. GP-138

Date: Week of January 19,  
2009

---

**Monday, January 19, 2009**

Holiday – Martin Luther King Day. Canceled teleconference with Team China, but talked with Pete a couple of times.

**Tuesday, January 20, 2009**

Routine DRB Project Update meeting held in am, which included a boat tour of the project followed by lunch and a land tour of work on YBI.

Internal meeting held to discuss options for secondary access to Pier 7.

**Wednesday, January 21, 2009**

Small core team meeting held today. Discussions included:

- ABF's plans to file federal unfair labor practices charges related to longshoremen protest in late December.
- Security Zone that will be established at the pier whenever a foreign vessel is at port. It will include a fenced area that cannot be entered without a federally issued badge (TWIX).
- Padeye interference with elevator rails.
- RFI 1590 regarding tie back of the tower.

Met with Mark Shindler regarding property rights with respect to secondary access options.

**Thursday, January 22, 2009**

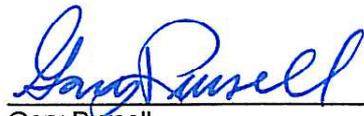

Held SAS Senior Staff meeting in am. See notes.

Team China teleconference held in PM. See minutes.

**Friday, January 23, 2009**

Reviewed field work in progress at YBI/W2 and end of Skyway/E2 w/ Bruce & Pat.

Category 45.01
